Now you're home.

**Dear LD ,**

Please be advised that we continue to experience delays in the elevator modernization project due to TSSA being on strike. The elevator contractor was unable to complete the final inspection.

Due to this delay, the new estimated time for completion of the first car is mid-December, contingent to TSSA inspection date.

We would like to thank you for your continued patience in this matter, and we look forward to continue making improvements to our community.

Thank you,

Management
CLV Group INC
