RE: Unit Renovation Taking Place

Dear Resident(s)

We hope this notice finds you well and you and your family are staying healthy.

CLV Group would like to take the time today to inform you that there may be some noise disturbance starting today as we work on renovating a unit that has been rented for a future move-in.

The unit renovation will take place on Tuesday, Feb 15th – Thursday Feb 17th from 8:00am-5:00pm and there will be some drilling noises as a result. The work being done may result in some neighboring units being disturbed and we apologize for any inconvenience this may cause.

This is essential work, and we hope this does not cause too much of a disturbance for you and your family. We plan on extending notices to all units that may be affected so you can plan accordingly if the noise levels get to be too loud.

We thank you for your patience & understanding.

If you have any further questions or concerns at this time, please do not hesitate to contact the administrative team at any of the below information.
