ATTENTION RESIDENTS
RE: CHRISTMAS TREES – REMINDER

Dear Resident(s),

We wish to remind all residents that real Christmas trees are **not permitted** anywhere in or on the premises.

Live Christmas trees pose a serious fire risk if not properly maintained, which can result in severe damage to your unit, as well as surrounding units. Further to this, it is stated in your lease agreement that only **fire resistant, artificial Christmas trees are permitted**.

In addition, we ask all residents to keep their Christmas trees at least 3 feet away from heat sources. This includes, but is not limited to **radiators, space heaters, lamps, and fireplaces**.

We trust you understand our concerns and thank you for your co-operation.

If you have any questions or concerns, please do not hesitate to contact us by email at stcatharines-admin@rentclv.com or by phone at (905) 646-0861.

Happy Holidays,

CLV Group Management
